## Experience

### Philadelphia Water Department | Senior Graphic Designer

*February 2016–present*

Create a wide scope of visual communication for the Philadelphia Water Department (PWD), like print collateral, on-screen graphics, branded experiences, and event materials.

Research and develop concepts for major department-wide campaigns (customer assistance, E-billing, drinking water quality) that uphold and promote PWD's visual identity and brand.

Plan and participate in weekly project management meetings

### Freelance Graphic Design

*June 2010–present*

Notable clients & projects include: Main Line Art Center; 215 Festival; Grid Magazine; Blue Stoop; Victoria Wright; Debutiful; The Center at West Park; Sofia Alexandria Makeup Artistry; film poster & title design; book layout & design

### Drexel University | Adjunct Professor

*September 2014–June 2022*

Teach undergraduate students Graphic Design curriculum. Courses include fundamentals of visual communication, Adobe Illustrator, logo design, and first-year seminar

### McKean Defense | Graphic Designer

*September 2012–February 2016*

Created print, digital, and interactive materials for NAVSEA Philadelphia. Working under a Creative Director, I designed brochures, posters, banners, maps, interactive PDFs, program logos, and more. Helped establish and maintain a creative services team, with ongoing projects and strong inter-departmental processes.
